ARE YOU READY FOR...

SHOW TROUPE?

Show Troupe is our competitive dance company

Competition is 100% commitment! Show Troupe is a program uniquely designed to enhance your dancer's technical ability and provide specific instruction on how to perform in a competitive setting. Your dancer will become a member of our exclusive competition team and compete with other dancers at regional and national levels.

Show Troupe consists of dancers who have been invited personally, by the studio owner and teachers. They are dedicated, hardworking dancers that want to take their dance education to the next level! All Show Troupe company members will increase their hours of technique and dance instruction.

Company members are required to attend all practices, choreography weekends, camps, conventions, regional and national competitions.

As a member of the exclusive Show Troupe Company, you will have additional monetary commitments.

Our Show Troupe alumni have gone on to become professional dancers, choreographers, dance teachers, lawyers, doctors, NFL cheerleaders, educators, and studio owners!
